

EXECUTIVE OFFICE OF THE PRESIDENT
BUREAU OF THE BUDGET
WASHINGTON 25, D. C.

CONFIDENTIAL

OMB Waiver Letter In ERU File

DEC 21 1948

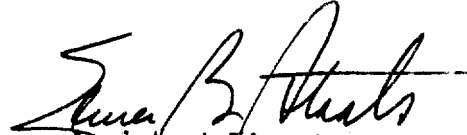

My dear Admiral Hillenkoetter:

The attached draft of bill entitled "Relating to the internal security of the United States", which the Department of Justice desires to present to the 81st Congress, is identical in form with a draft of legislation proposed by that Department during the 80th Congress to which the Treasury Department and other interested agencies heretofore addressed the views reflected in the additional material enclosed herewith.

This office, after consultation with representatives of the Department of Justice, feels that it would be particularly desirable in this instance to again circulate this draft and related materials to the interested departments and agencies in order that we might have at hand their current thinking in respect to this proposal.

It would therefore be appreciated if we could have, not later than December 20, 1948, such views as you may care to present upon this proposed legislation.

Very truly yours,

Assistant Director,
Legislative Reference.

Rear Admiral R. H. Hillenkoetter,
Director, Central Intelligence
Agency,
Washington, D. C.
